

# Thanksgiving Newsletter

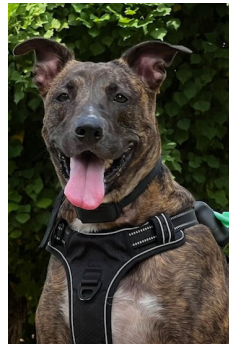

## Valley Animal Hospital

### Welcome Friends!!

Happy Thanksgiving  
This November is a time to remember those less fortunate. Please help us give Food to those who may go hungry. We will donate the food to local rescues who have so many mouths to feed.

Stop by with unopened bags of dry food or cans of wet food for dogs or cats any time from November 1 - 23, 2024  
No animals should go hungry!  
Also earn a paw print for donating

### Ask Malaa ?

How do you guys all talk and communicate with each other?

Malaa : "We communicate with each other mostly by our body language, ear position, tail wagging, and posture all work together to give each

other a big insight as to how we are feeling. We also pass news, warnings, and calls to play along when we bark"

Till next month, send your questions to :

[VALLEYAH@GMAIL.COM](mailto:VALLEYAH@GMAIL.COM) please put **NEWSLETTER** in the title!

### Deal Of The Month

For the month of November get \$10 off of all Feline exam for cats that havn't been seen in 2 + years (Doctor exams only) It's the Purrrrfect time to bring in all of our feline friends!

### Ask the Vet

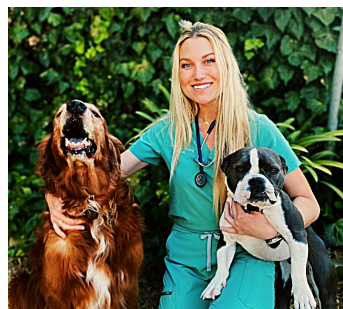

General questions and things you've wondered about.

DR. ANNALIESE ELSBERG

#### How often should I feed my pet?

Cats and dogs should generally be fed twice a day. Once in the morning and once in the evening. Puppies, kittens, and pets with specific medical conditions may require more frequent meals. Always consult your veterinarian for a feeding plan tailored to your pet's age, weight, and health needs.

For veterinary questions that you really want to know send your queries to [VALLEYAH@GMAIL.COM](mailto:VALLEYAH@GMAIL.COM) please put **NEWSLETTER** in the title.

### Interesting pet facts:

Have you ever noticed that cats walk like camels and giraffes? Their walking sequence is both right feet first, followed by both left feet, so they move half of their body forward at once.

When your dog is carefully choosing the perfect place to do his business, it is because they prefer to go poop in alignment with the Earth's magnetic field.

Dogs have over 100 facial expressions. So, if you ever felt like your dog was judging you or giving you the side eye, you weren't seeing things, they probably meant it.

# VALLEY PET HOTEL

## Valley Pet Hotel: Fall into the Holidays with Pet Safety Tips

Well here we are, the Holiday season is upon us once again! Time sure does fly! As the weather cools down and we enjoy the crisp Autumn air, we want to remind you of a few important tips to keep your fur-babies safe and happy during this festive season.

### Sweet Potato Chews

Sweet potatoes are a healthy, low-calorie treat that dogs love. These chews are simple to make and packed with vitamins.

#### Ingredients:

1 large sweet potato, washed

#### Instructions:

1. Preheat the oven to 250°F.
2. Slice the sweet potato into 1/4-inch thick strips.
3. Bake for 2-3 hours, flip once half way through, until they are shrunken, dried out and some pieces are a bit crispy and others are chewy.

### Hiking Season is Here!

With cooler temperatures, it's the perfect time to explore our beautiful local mountains with your pets. Fresh air, exercise, and bonding time make for an excellent Fall outing! However, dangers still persist! Remember to stay aware of: Ticks: These pests are still active and can latch onto your pet, causing potential health issues. Make sure to check your dog thoroughly after any hike.

Snakes: As they prepare for hibernation, snakes can be extra irritable. Keep your dog on a leash and avoid tall grass or rocky areas where snakes might be hiding.

### Traveling with Pets This Holiday Season?

If you're planning a trip with your furry companions, here are a few things to keep in mind:

1. **Pet-Friendly Hotels:** Ensure that your accommodations welcome pets. Many places require advance bookings, just like us, so plan ahead!
2. **Car Safety:** Strap your pets into a car seat or secure them with a pet seatbelt for safety. Keep windows up or very slightly ajar for ultimate safety.
3. **Current ID:** Double-check that your pet's ID tags are current, and if your pet isn't already microchipped, now is the time. If they get lost, a chip can save their life and get them home to you!

The holidays are one of our busiest times of the year at Valley Pet Hotel, and suites are filling up ultra-fast! If you're traveling and need a safe, loving place for your baby to stay, make sure to **BOOK AS EARLY AS POSSIBLE** to secure their spot with us. We are always here to welcome them for a fun and comfortable stay with our amazing staff!

Give us a call today at **909-301-8299** to reserve your spot at the pet hotel!

## Welcome to Valley Pet Hotel's Pets of the Month

Please let me introduce to you **Maggie, and Molly!!**

**DOG OF THE MONTH:** Molly is the sweetest gal you'll ever meet. At 18 years young, this lovely Cockapoo lady rules the playroom and yard. Even though her sight and hearing are waning, her spirit and playfulness is that of a young pup! The staff are always so excited when we see Miss Molly in the books!! Congratulations Molly, on being November's Dog of the Month!!

**CATS OF THE MONTH:** Maggie, Magalicious, Queen Mags. This beautiful lady has stolen all of our hearts. She rules the cat room with her raspy meow and tectonic purrs, always searching for pets and cuddles. She is very adept at using her charm to persuade the staff to feed her just a little more quickly! We love our Miss Maggie! Congratulations on being November's Cat of the Month!

### *Deal of the month*

*For The month of November*

This month's special deal is \$10 off your Cat's Boarding visit! Stay any amount of nights and get \$10 off the stay. Hope to see your fantastic furry felines this month!
